UNIQUE FEATURES

## Our Unique Features

### **Sterilization Protocols:**

The clinic is set up with the highest standards of sterilization protocols in place. From packaging and sterilizing instruments in a Class B Autoclave, to the disinfection of the entire clinical setup, every detail is monitored on a daily basis.

### **Long Term Warranties:**

We are confident of our treatment planning and execution. Thus we have no hesitation in giving genuine warranties on Crowns and Bridges and certain other treatment procedures.

- > All ceramic crowns - Warranties ranging from 5 years to 15 years
- > Laminates and Veneers - Warranties up to 10 years
- > Laser sintered porcelain fused to metal crowns (PFM) - Warranties ranging from 2 to 5 years

### **Materials and Setup:**

The clinic is designed keeping in mind the best European practices. All the materials used in the clinic are imported from USA, Germany and UK.

### **Materials from the following companies are used:**

Ivoclar Vivadent, Dentsply, GC Dental Products, Kerr Sybron Dental Specialities, Septodont, Coltene Whaledent, SDI Dental Products, 3M, Ultradent, BioHorizons Implants, Nobel Biocare Implants, Osstem Implants.

### **Unmatched Expertise:**

All the doctors working on a patient are post graduate MDS. This makes every working doctor working on a patient, a specialist with a huge amount of experience in their respective field.

### **Support:**

Unlike individual practices where a single dentist tries to do all the procedures and the treatment depends on his/her availability, we are proud to introduce the concept of specialized dentistry. We have multiple specialists across every field of dentistry. This allows us to offer seamless care to all our patients.

### **Unique Experience for Patients:**

- > WiFi for all patients.
- > Bluetooth speakers for all patients so that you listen to what "You" like.
- > Transport Arrangements.
- > Conveniently located in the elite suburb of Bandra.
